

Sentinelle Aegis Navigation System

End of Life Notification

We pride ourselves in being a leading medical device manufacturer, a goal that could not be achieved without customers like you. After careful consideration, it is necessary to declare End of Life for the **Sentinelle Aegis Navigation System**. We regret any inconvenience that this may cause.

As of August 16th 2013, we will continue to provide phone support and materials based on the availability of replacement parts for these systems. Every effort will be made to service our current customers through December 31st 2020.

If you require additional information concerning this notice or would be interested in providing feedback on the product, please contact your Customer Service Representative at 1.866.735.3744 option 1.

Sincerely,

A handwritten signature in black ink that reads "Roger D. Mills". The signature is written in a cursive style with a large, stylized initial 'R'.
